

Reception News — Friday 26th July

Hi everyone,

This week we were inspired by our trip to Sealife and our recent author Giles Andreae to write our own clues for the creatures we spotted last week. We were so good at this!

We have been halving this week. Mo the Mermaid needed our help. She wanted to go on an adventure but could only take half of her friends. So we have been helping her to work out half of different amounts.

The new Reception children have been to visit again this week. We were really good at looking after them and showing them all the things we can play with in our classroom 😊

Next week we will be going to visit Y1. We are really excited to see what it's like. Miss Davies says we are so grown up now and ready to leave Reception!

Thank you all for coming to watch us on Sports Day. We hope you enjoyed it. We were fantastic pirates and passed our pirate training 😊

Show and Tell

We loved hearing about a holiday to France and had lots of questions about the ferry. We enjoyed looking at a camera and posing for a photo! Heidi read her fortune from her fortune cookie. Finally, we looked at an exciting fairy book!

Please make sure sun hats and water bottles are sent every day.

Have a great weekend!
