Come and See

We have been thinking about the different features of the church used during a baptism like the Altar and baptismal font.

We listened to the story of Jesus' birth this week. (Never too early for Nativity play preparation!) We have been learning some songs that help us tell the story. We sang a song about travelling to Bethlehem on a donkey and another one about staying in a stable.

We have been thinking about how Mary and Joseph felt travelling all that way and have been writing captions for them in the form of speech bubbles.

To help the shepherds count their sheep we have been learning how to estimate. We know that we need to look and have a good guess and then count to check if our estimations are right.

Donations

Please keep those boxes and pots coming. We have had some fantastic creations this week!

Phonics Assessment

In your child's reading record you will find your child's end of Phase 2 assessment. The sounds and tricky words left unticked are those that your child does not yet know and needs to practise.

A final note... Since September we have been encouraging the children to look after our toys. Unfortunately lots of our toys are being broken, thrown, stood on and disregarded. Please could you spend some time talking to your child about the importance of looking after their own and others belongings. Thank you.

Have a great weekend.

From Miss Davies and Mrs McDonald 😊
