

ABC Monthly Newsletter

May 2022

Hello everyone and welcome to the ABC newsletter. Over the past month the children have been busy playing and having fun together they have also started to use the ABC post box for their suggestions for new activities or resources. The main suggestion is to have some baby dolls so staff will look into this. ABC has also reintroduced the reading corner with new chairs for them to relax in, which the children are loving.

ABC club would just like to ask if anyone is having a clear out in the future ABC would be grateful of any donations of cd's, old wii games or toys plus old infant uniforms. Thank you.

At the end of each month, we will be uploading a newsletter onto the ABC tab on the school website to tell you about all the exciting activities we have been doing in club and what fun things we have planned for the month ahead. There will be photos and children's comments, updates and reminders.

Can you please make sure that your children are booked into the clubs in advance - this is to ensure that we have the correct ratio of staff to children plus the correct amount of snacks.

Thank you.

Coming in June

Throughout next month, we will have a range of summer arts and crafts activities and lots of outdoor activities as the weather gets warmer

Throughout May the children have had great fun playing various different games and activities they especially loved decorating the balloons and playing with them. 😊

Here are the children finally enjoying some good weather, as the weather continues to get better we hope to move more activities outdoors and hope to enjoy picnic snacks and maybe the odd ice cream. 😊

And finally don't forget you summer hats/ caps and water bottles as the weather gets warmer also keep posting your suggestions in the ABC post box and Mrs Lightfoot will check the box weekly.
