

# ABC Monthly Newsletter

## February 2023

Welcome back to ABC Club's newsletter.

We have had a lovely month in ABC, all the children have been having lots of fun playing various games and creating their own which staff think is fantastic. The children have also been getting creative with the arts and crafts and showing off their drawing and painting skills. Yet again all children have been kind and caring to one another.

Well done ABC.

As a quick reminder can parents ensure that all children are booked into ABC so that sessions are paid for and so that we can determine the amount of snack required during the evenings.

At the end of each month, we will be uploading a newsletter onto the ABC tab on the school website to tell you about all the exciting activities we have been doing in club

### Stars of the Week for February

Well done everyone!

### Polite Reminder

Can you please make sure that your children are booked into the clubs in advance-this is to ensure that we have the correct ratio of staff to children. ABC phone number- 01744 678614 Staff are available to answer 7.30-8.30am & 3.45-5.30pm.

ABC is fun and we have a great time Isla (Y6)

### Coming in March

Throughout next month, we will have a range of activities, arts and crafts and cookie creations for you all to enjoy. Please remember to wrap up warm for the times we can get out to play.

Throughout February the children have enjoyed different types of art activities ranging from free painting, printing, bookmarks and building mini beasts. Next month we will be junk modelling and baking, then making bird feeders to hang in the yard for our little feathered friends.

As you can see above this is one of the games the children have made and have great fun playing the aim is to spin the discs trying to knock into one another to win points. 😊

Top helpers this month-

Jack (R) Tyler (Y6) Christopher (Y6) Heidi (Y3) & Niamh (Y5)

Thanks for all your help and being kind to others 😊
