

ABC Monthly Newsletter

April 2023

Welcome back to ABC Club's newsletter.

The past month has been a short one due to the half term but all children have returned in great spirits and have settled back into their normal routine well.

Staff have really enjoyed watching the children interacting and catching up with one another after the Easter holiday and have enjoyed listening to everything that they have been up to with family and friends 😊

As a quick reminder can parents ensure that all children are booked into ABC so that sessions are paid for and so that we can determine the amount of snack required during the evenings.

The ABC newsletter is uploaded at the end of each month, on the school website to tell you about all the exciting activities we have been doing in club and what fun things we have planned for the month ahead.

Coming in May

Throughout next month, we will have a range of spring activities, arts and crafts and planting for you all to enjoy.

Now we have some dryer weather the children have been able to get out and enjoy the playground, as you can see they have had lots of fun playing with their friends 😊

The children have been getting very creative they have enjoyed numerous occasions of biscuit decorating and making chocolate rice krispie bird nests. It's great to get a little messy 😊
