

ABC Monthly Newsletter

May 2023

Welcome back to ABC Club's newsletter.

The past month has been a short due to the half term but the children have been up to lots of different activities ranging from building, bowling, games and painting. Due to the good weather the children have enjoyed snack outside and had fun planting wild flower seeds in the plant pots outside which they will continue to look after 😊

As a quick reminder can parents ensure that all children are booked into ABC so that sessions are paid for and so that we can determine the amount of snack required during the evenings.

The ABC newsletter is uploaded at the end of each month, on the school website to tell you about all the exciting activities we have been doing in club and what fun things we have planned for the month ahead.
