

ABC Monthly Newsletter

June 2023

Welcome back to ABC Club's newsletter.

Staff and children have had a lovely time over the past month, we have all enjoyed having lots of fun playing different games and making up our own (which can get very competitive!!). Staff also love to see the older children helping and teaching the younger children new skills and games. Great work 😊

The ABC newsletter is uploaded at the end of each month, on the school website to tell you about all the exciting activities we have been doing in club and what fun things we have planned for the month ahead.

Coming in July

Throughout next month, we will have a range of summer activities, arts and crafts for all children to enjoy.

The children have had a lovely time over the past month, they have enjoyed various activities ranging from colouring, painting, construction, role play and outdoor play.

The children have also done a fantastic job of looking after the wild flowers we planted 😊

At the end of next term ABC will be holding a leavers breakfast on the last Friday for all the children to enjoy and wish year 6 good luck for the future. Year six have requested waffles with fresh fruit and milkshakes. 😊
