

ABC Monthly Newsletter

November 2021

Hello everyone and welcome back to ABC Club's newsletter.

We have had a lovely month in ABC and I just have to say how amazing you all are, the staff have noticed how kind, caring and helpful you all are with one another and this is lovely to see. Keep up the good work.

Unfortunately, at the end of October we said goodbye to Mrs Burrows and wish her well in the future and this month have welcomed Mrs O'Donoghue into our ABC family. At the end of each month, we will be uploading a newsletter onto the ABC tab on the school website to tell you about all the exciting activities we have been doing in club and what fun things we have planned for the month ahead. There will be photos, children's comments, updates and reminders.

Polite Reminder

Can you please make sure that your children are booked into the clubs in advance-this is to ensure that we have the correct ratio of staff to children. Thank you.

Coming in December

Throughout next month, we will have a range of Christmas activities, arts and crafts and films for you all to enjoy We will also be getting the hot chocolate out to warm us up on cold days.

Reading with friends is so much more fun.

Beautiful pictures of the children creating, constructing, playing and reading together.

The children have started creating their Christmas placemats that they can use at snack times and take home at the end of term; everyone will get a chance to make one.

We have had great fun junk modelling, all the children worked well together and should be proud of their creation, here are some pictures.

Welcome to ABC Tui Airlines

I hope were all excited for December, the advent calendars are ready and waiting to be opened. The Christmas tree ready to be put up and you never know the Christmas turkey may appear again.
