

ABC Monthly Newsletter

January 2022

Happy New Year everyone and welcome back to ABC Club's newsletter.

We hope you have all had a fantastic Christmas with your family and friends and it's great to see you all back after the festive period.

I'm glad to say that at the end of January and over the next month we will be returning to our normal routines within ABC club and it will be great to see you all interacting together again.

At the end of each month, we will be uploading a newsletter onto the ABC tab on the school website to tell you about all the exciting activities we have been doing in club and what fun things we have planned for the month ahead. There will be photos, children's comments, updates and reminders.

Coming in February

Throughout next month, we will have a range of winter activities, arts and crafts and films for you all to enjoy. Please remember to wrap up warm for the times we can get out to play.

Throughout January the children have had a fantastic time showing off their creativity and construction skills. Thanks again to Sonny in Y5 for the donation of Lego as the children have really enjoyed playing with it.

Over the month the children have settled back in and have had great fun playing with some of our new toys and have got very active showing off their dancing skills whilst playing musical statues.
