

ABC Monthly Newsletter

March 2022

Hello everyone and welcome back to ABC Club's newsletter.

We have had a lovely month in ABC the children have again been absolutely fantastic to be around, staff have enjoyed watching them having so much fun together whilst being kind, caring and helpful to one another. 😊

ABC club would just like to ask if anyone is having a clear out in the future ABC would be grateful of any donations of cd's, old wii games or toys. Thanks.

At the end of each month, we will be uploading a newsletter onto the ABC tab on the school website to tell you about all the exciting activities we have been doing in club and what fun things we have planned for the month ahead. There will be photos, children's comments, updates and reminders.

Stars of the Week for March

Polite Reminder

Can you please make sure that your children are booked into the clubs in advance-this is to ensure that we have the correct ratio of staff to children. Thank you.

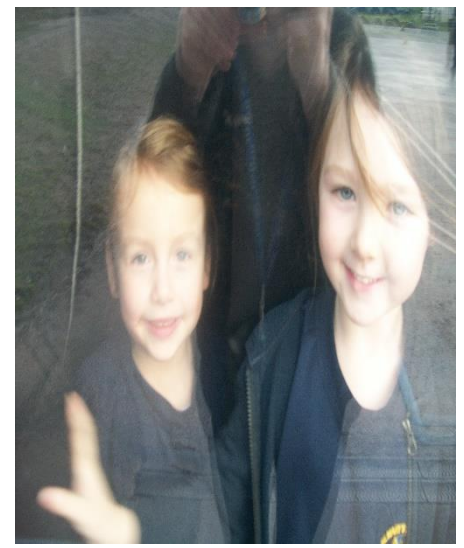

Coming in April

Throughout next month, we will have a range of spring art and craft activities and cornflake cake nests for you all to enjoy.

Throughout March the children have had great fun constructing, playing games and playing on the wii. It has been great to see all the children mixing and having fun together.

As you can see above the children have been very busy junk modelling dressing up and playing hide and seek. Mrs Lightfoot would just like to say great work on creating your robot it's amazing 😊

And lastly I would just like to say I hope you all have a fabulous half term and Easter with your family and friends. 😊
