

ABC Monthly Newsletter

April 2022

Hello everyone and welcome back after the Easter holidays. We hope you and your family and friends had a lovely Easter. This month is a very short month and the children have settled straight back into their normal routines having fun playing with their friends. As you can see below the children have had great fun playing various games and enjoying various activities from Play Doh, jigsaws, limbo hop and playing out. ABC club would just like to ask if anyone is having a clear out in the future ABC would be grateful of any donations of cd's, old wii games or toys. Thanks.

At the end of each month, we will be uploading a newsletter onto the ABC tab on the school website to tell you about all the exciting activities we have been doing in club and what fun things we have planned for the month ahead. There will be photos and children's comments, updates and reminders.

Stars of the Week for April

1st- Emmie (Y4) & Ava (R)

22nd- Emmie (Y4)

29th- Maddison (Y2)

Lexie and Isabella love coming to ABC and playing and drawing with friends. **Lexie (R)**
Isabella (R)

Caitlin and Lucas love everything about ABC as its good fun **Caitlin (Y4) & Lucas (Y3)**

Polite Reminder

Can you please make sure that your children are booked into the clubs in advance-this is to ensure that we have the correct ratio of staff to children plus the correct amount of snacks for the children Thank you.

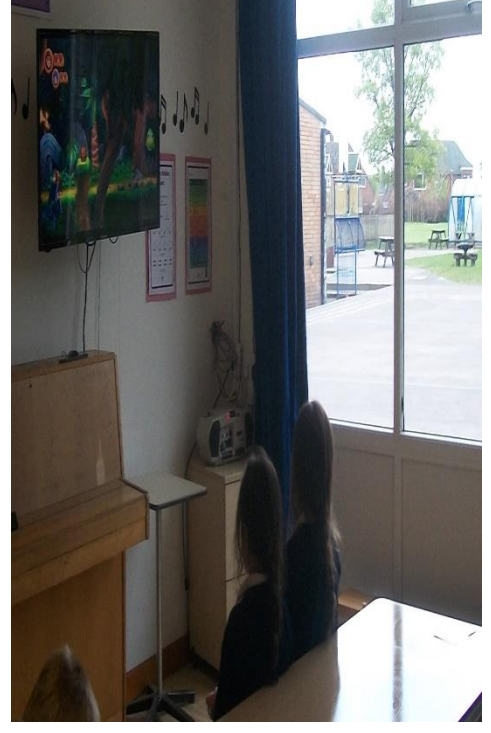

Coming in May

Throughout next month, we will have a range of spring art and craft activities and biscuit creations for you all to enjoy.

Throughout April the children have been full of smiles and great fun to be around. All the children make shifts memorable for everyone from dance offs, musical statue's and charades. 😊

Next month we will be introducing a post box into ABC so that the children can have their chance to suggest new ideas into the ABC club, at the end of each week these ideas and suggestions will be reviewed.

And finally I would just like remind everyone to bring their sun hats and water bottles with them and to apply sunscreen as the weather gets hotter. 😊
