

# ABC Monthly Newsletter

June 2022

Hello everyone and welcome to the ABC newsletter. Over the past month the children have been busy and active playing and participating in various activities, as you can see from the pictures below. Staff find the children in ABC to be very kind and helpful to one another and are always ready to help staff. Due to this I have decided to do a shout out at the end of each month when five children will be selected and will receive a certificate and treat due to their kindness and willingness to help others.

ABC club would like to ask if anyone is having a clear out ABC would be grateful of any donations of cd's, old wii games or toys plus any old infant uniforms. Thank you.

At the end of each month the newsletter will be uploaded onto the ABC tab on the school website to tell you about all the exciting activities we have been doing in club and what fun things we have planned for the month ahead. There will be photos and children's comments, updates and reminders.
